Your 5-Day Gratitude Plan

About 30-45 minutes a day. Mix and match to fit your family.

Day 1 What Is Gratitude?

Talk about the word, read the poem, and start the gratitude journal.

Day 2 The Harvest

Learn how a seed becomes food. Do the plant life cycle page.

Day 3 Thankful Math

Pie fractions and harvest counting. Start the kindness challenge.

Day 4 Words of Thanks

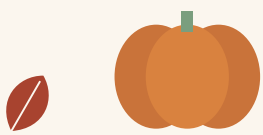

Gratitude ABCs, word search, and write a thank-you note.

Day 5 Celebrate

Family interview, thankful tree leaves and table cards. Award certificates!

Tips

Younger kids can draw and dictate their answers; older kids can write in full sentences. Keep the gratitude journal going all November, and save the thankful tree leaves to decorate your table.
